

Wilmslow Lightning Netball Club Vision

Why

We do this

We are passionate about netball and want to bring our passion to life by offering:

- challenging and engaging sessions that are conducive to developing all netball players
- a career path for aspiring coaches and umpires
- support to those with a dream to play for a professional league, and beyond, to become a reality

HOW

We will succeed

- The Committee members will dedicate the time required to fulfil their roles.
- We will set high standards for our coaches, volunteers and members
- We will expect each member to attend training, listen to the coach and fulfil commitments.
- We will realise the full potential of every member of the club
- We will proactively seek feedback and continually look at how we can improve as a club

What

We will do (specifics)

- We will ensure training sessions are challenging and enjoyable, conducive to developing young netball players
- A qualified coach will supervise the training of each squad with a junior coach assigned to assist where relevant
- We will focus on the importance of fitness, teamwork and commitment, to realise every member's full potential
- We will offer a career path for aspiring coaches and umpires aged 12– 18.
- Coaches and umpires will continue to develop and improve their skills through working together and sharing ideas and attending cpd opportunities
- We will measure our performance by seeking feedback from our club members

INTENT

By 2028 we will:

- be recognised as one of the top three leading clubs across the region.
- have a minimum of 10 players across the Manchester Thunder squads
- have achieved the CAPS Gold Award
- At least 75% of our members will rate us as excellent in our end of year survey
