

Why

We do this

We offer challenging and engaging sessions that are conducive to developing all netball players
We offer a career path for aspiring coaches and umpires
We aim to realise the full potential of every member of the club.

HOW

We will succeed

We set high standards for our coaches, volunteers and members.
We expect each member to attend training, listen to the coach and fulfil commitments.
We expect each member to complete a challenging and comprehensive home training programme
Coaches and umpires will continue to develop and improve their skills through working together and sharing ideas and attending cpd opportunities
The committee members will dedicate the time required to fulfil their roles.
We listen to feedback and continually look at how we can improve as a club

What

We will do (specifics)

We will ensure training sessions are challenging and enjoyable
We will offer 2 hours training per week, in a sportshall environment, with a minimum of one level 2 coach per squad
We will focus on the importance of fitness, teamwork and commitment, to realise every members full potential
We will measure our baseline performance by seeking feedback from our club members

INTENT

By 2028 we will:

- be recognised as one of the top three leading clubs across the region
- be the U14 and U16 national club champions
- have a minimum of 10 players in the superleague pathway system
- have a minimum of one player in a national squad
- have achieved the CAPS Gold Award
- 75% of our club members will rate us as 'Excellent' in our end of year survey
